

Advent Studies 2021: 'What are you waiting for?'

Advent reflections on hope, peace, joy and love in a post- pandemic world with Eaglehawk & Marong UCA & Presbytery of North East Victoria.

Waiting is certainly one thing we're accustomed to just now – waiting for announcements of new restrictions, lockdowns, freedoms, pathways out of the pandemic.

Waiting to hear what will or will not be possible this Christmas.

There has been an anxious wait for the availability of vaccines, as the only real solution to our currently restricted way of life.

So we celebrate the good news that, while later than we hoped, we move towards the key targets that trigger new freedoms.

And so to Advent – when we are reminded that we are still waiting: for Christ to bring all things to completion. There is unfinished business in the struggle against evil.

How has the pandemic changed us?

How has it changed the way we think about and experience hope, peace, joy and love?

You are invited to share, dream and pray together in this Advent Season with people from Eaglehawk & Marong Uniting and from across the Presbytery of North East Victoria.
